

MDT Permit, IRP and ePART information

Notice Book Permit Process Change

With expanded online services and easy access, book permits will be absorbed and integrated into the Celtic system. Notification of impacted carriers will be continuously attempted over the next few months in order to ensure a smooth transitional plan. All book permits must be used or refunded by December 31, 2016.

Third Party Power of Attorney

With the new system, MDT is implementing a new business process for Power of Attorney.

- IRP: The Third Party will be required to submit a Power of Attorney for each carrier and fleet for each renewal period.
- IFTA: The Third Party will be required to submit a Power of Attorney for each carrier at renewal time.
